The principal terms of the Placing Agreement are set out below.

THE PLACING AGREEMENT

Date

14 December 2018 (after trading hours)

Issuer

The Company

Placing Agent

Pursuant to the terms of the Placing Agreement, the Company has conditionally agreed to place through the Placing Agent, on a best effort basis, up to 1,462,200,000 Placing Shares to independent Placees. The terms of the Placing Agreement, including the placing commission, were arrived at after arm's length negotiations between the Company and the Placing Agent under normal commercial terms and with reference to the prevailing market conditions. The Directors are of the view that the terms of the Placing Agreement are fair and reasonable based on current market conditions.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, the Placing Agent and its ultimate beneficial owners are Independent Third Parties.

Placing Commission

The Placing Agent will receive a placing commission of 0.45% of the aggregate amount equivalent to the Placing Price multiplied by the total number of Placing Shares successfully placed by the Placing Agent plus any other out-of-pocket charges and expenses by the Placing Agent in relation to the Placing.

Placees

The Placing Agent will, on a best effort basis, place the Placing Shares to not less than six Placees, who and whose ultimate beneficial owner(s) (if applicable) are Independent Third Parties. The Placing Agent will use its reasonable endeavours to ensure that none of the Placees would, immediately upon completion of the Placing, become a substantial shareholder (within the meaning of the Listing Rules) of the Company.

Number of Placing Shares

Assuming that there will be no change in the issued share capital of the Company between the date of this announcement and the completion of the Placing, the maximum number of 1,462,200,000 Placing Shares under the Placing represent (i) approximately 20% of the existing issued share capital of the Company of 7,311,032,014 Shares as at the date of this announcement; and (ii) approximately 16.67% of the issued share capital of the Company as enlarged by the allotment and issue of the Placing Shares. The aggregate nominal value of the maximum number of Placing Shares under the Placing will be approximately HK\$58,488,000.

Ranking of Placing Shares

The Placing Shares under the Placing will rank, upon allotment and issue, pari passu in all respects with the Shares in issue on the date of allotment and issue of the Placing Shares.

Placing Price

The Placing Price of HK\$0.04 per Placing Share represents a premium of approximately 2.6% to the benchmarked price of the Shares, which is the higher of (i) the closing price of HK\$0.039 per Share as quoted on the Stock Exchange on the date of the Placing Agreement; and (ii) the average closing price of HK\$0.035 per Share in the last five trading days immediately prior to the date of the Placing Agreement.

The Placing Price of the Placing was determined with reference to the prevailing market prices of the Shares and was negotiated on an arm's length basis between the Company and the Placing Agent. The Directors consider that the terms of the Placing are on normal commercial terms and are fair and reasonable based on the current market conditions. Hence, the Placing is in the interests of the Company and the Shareholders as a whole.

Subject to completion of the Placing, it is expected that the maximum gross proceeds and net proceeds (after deducting placing commission and other relevant costs and expenses) from the Placing will be approximately HK\$58,488,000 and HK\$57,725,000 respectively. On such basis, the net issue price will be approximately HK\$0.039 per Placing Share.

General Mandate for the allotment and issue of the Placing Shares

The Placing Shares will be issued under the General Mandate to allot, issue and deal with Shares granted to the Directors by resolution of the Shareholders passed at the AGM subject to the limit up to 20% of the then issued share capital of the Company as at the date of the AGM. Accordingly, the issue of the Placing Shares is not subject to the approval of the Shareholders.

The Company is authorized to issue up to 1,462,206,402 Shares each under the General Mandate. Up to the date of this announcement, no Share has been issued under the General Mandate. The maximum of 1,462,200,000 Placing Shares to be allotted and issued will utilize approximately 100% of the General Mandate.
